Directional Sign System

The C-Fix system is a refreshingly modern approach to 'fingerpost' signs.

This attractive modular sign system has been designed to meet the demand for an alternative to the overworked 'Victoriana' style.

Exterior or interior locations; on its own or as part of a programme of signs; the C-Fix system can be used to direct, identify or inform. C-Fix signs can be finished with our Signpole 80 caps or the attractive C-Fix Dome Cap. Alternatively, you might like to top your sign off with a round or rectangular Crown Panel. The optional Crown Panel components are perfect for displaying additional information or advertising.

C-Fix. Its versatility will appeal to you. Its profile will appeal to everyone.
